The Long /e/ Sound

*believe

genie

**siege

priest

ie

brief

chief

cookies

**niece

*The final e in believe is used because there are no spellings in the English language ending in v.

**The final e in 'niece' and 'siege' is used to indicate that the c and the g use the soft sounds /s/ and /j/ rather than the hard sounds /ck/ and /g/.
